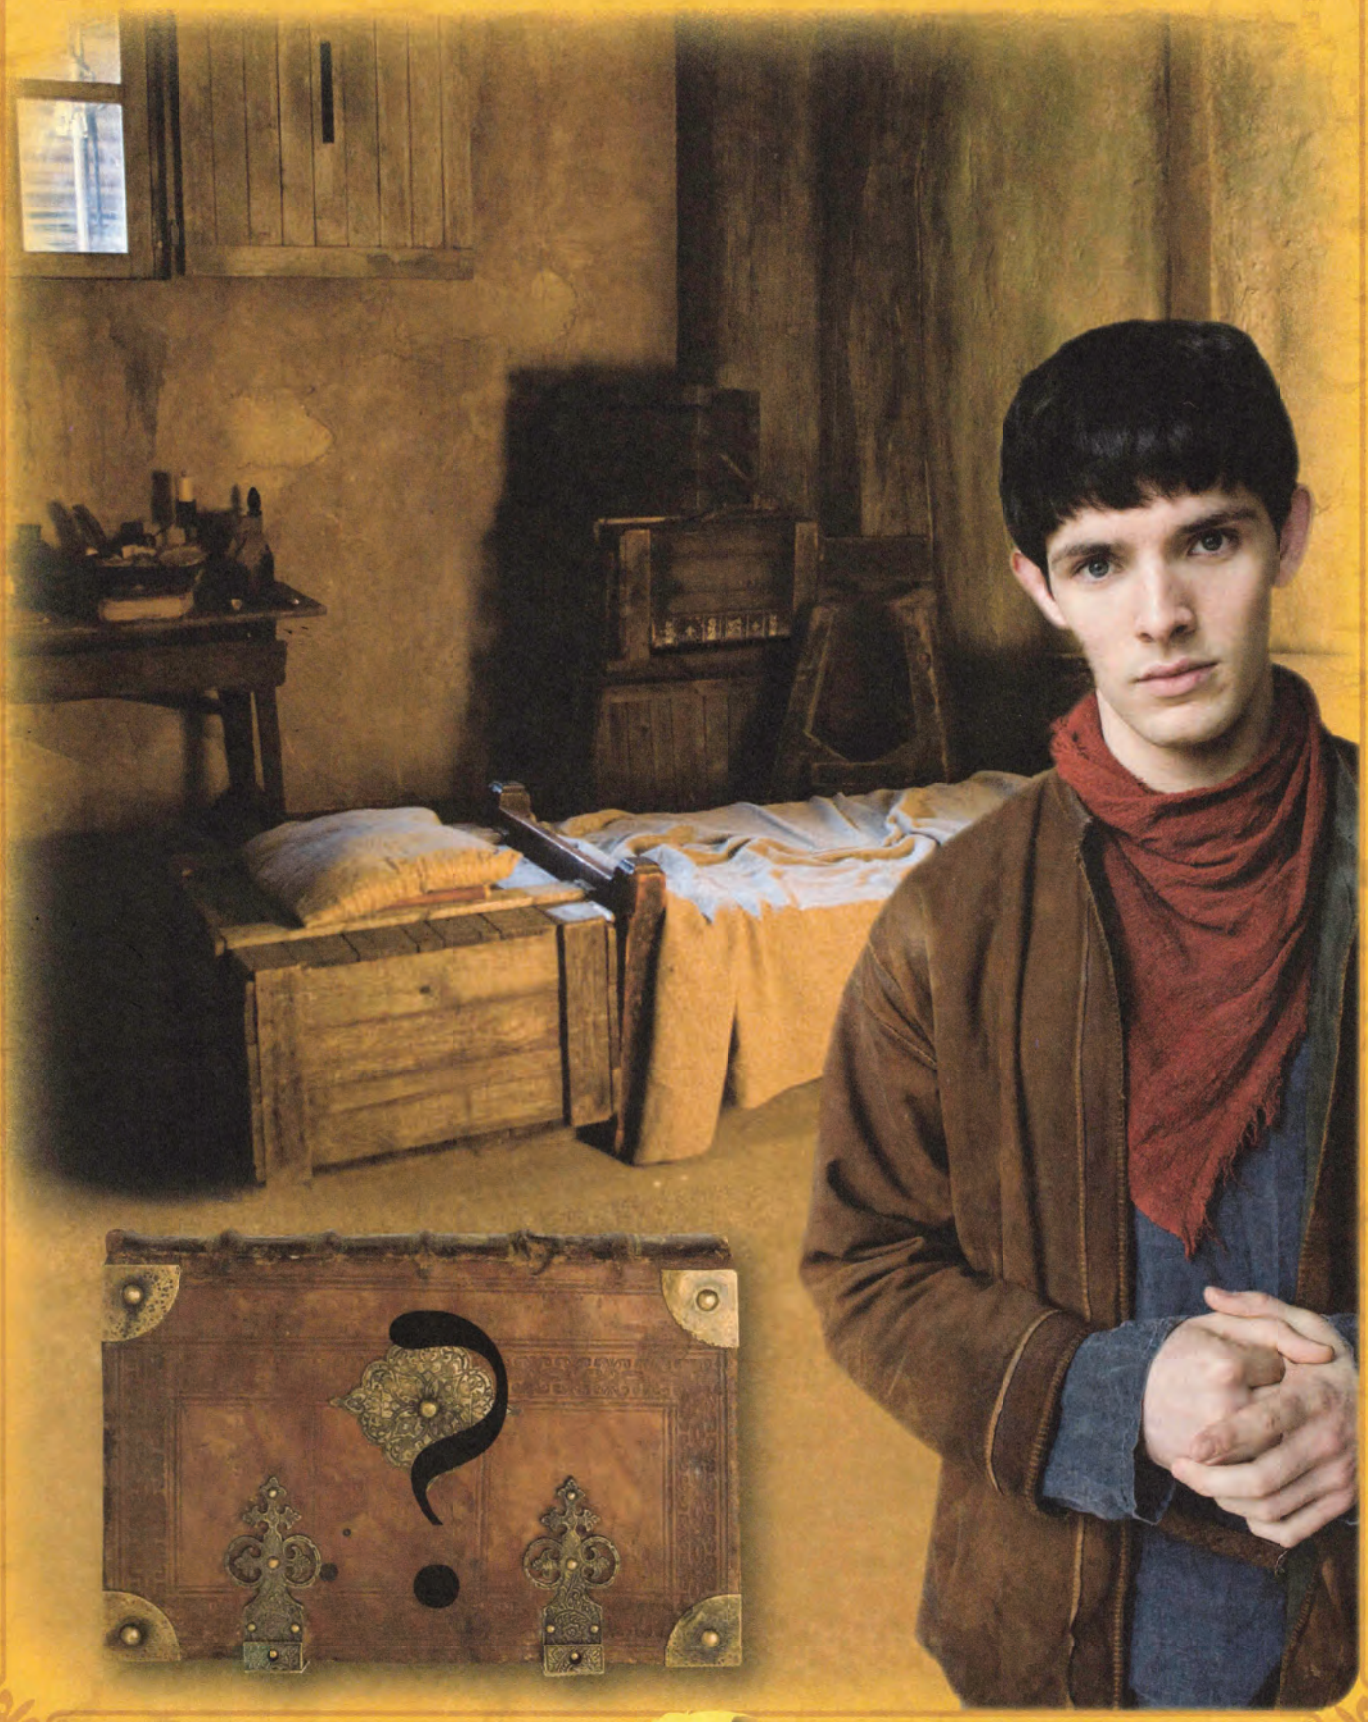
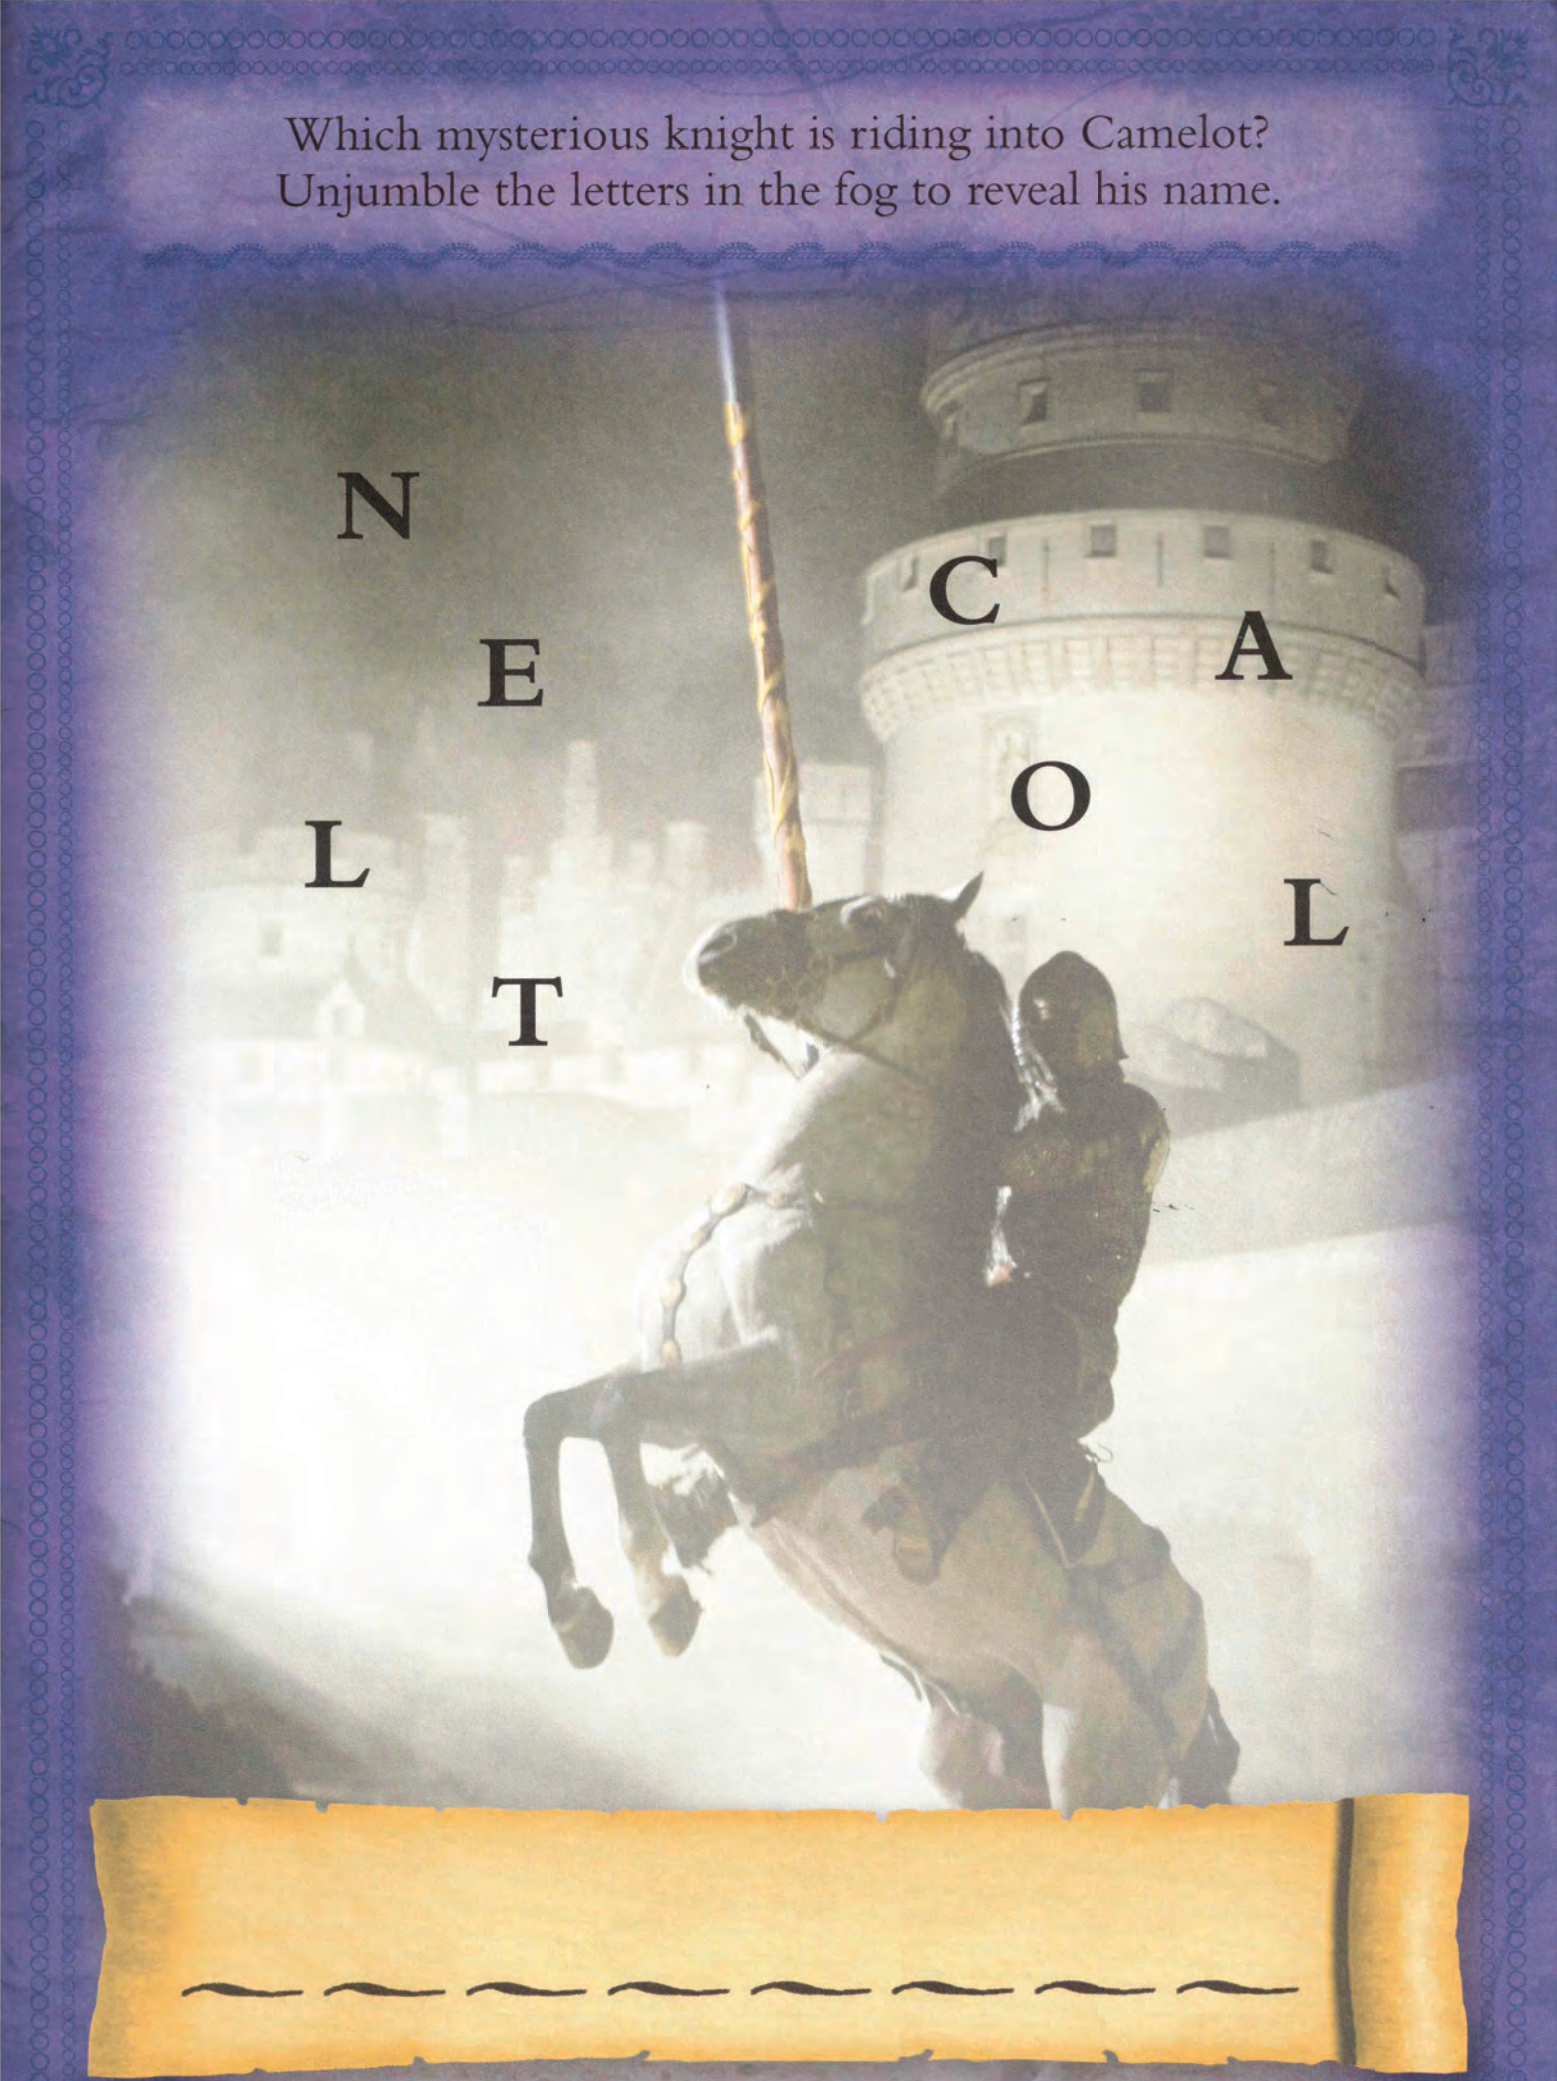
Oh dear! Merlin's forgotten where he's hidden his Book of Magic. Search his room to see if you can find it.



Look carefully at the four rows of spells.
In each row there is an odd spell out.
Can you work out which one it is?

Arthur discovers a strange and deadly beast wreaking havoc in the forest outside Camelot. Follow the beast's footsteps and ring every third letter to uncover its name.

Which mysterious knight is riding into Camelot?
Unjumble the letters in the fog to reveal his name.



Who said that? Can you match the people to their statements?

"I understand you have a shield for me."

"You really are a total buffoon, aren't you, Merlin?"

"This man, Thomas James Collins, is judged guilty of conspiring to use enchantments and magic."

"Magic requires incantations, spells. . . It takes years of study."

How many times can you find the word MAGIC hidden in this wordsearch?
